Colonialism in South Africa by Francis Nyamnjoh was awarded the 2018 Fage & Oliver Prize. This book on rights, entitlements and citizenship in post-apartheid South Africa shows how the playing field has not been as levelled as presumed by some and how racism and its benefits persist. Through everyday

theories of International Relations (IR).

Given the limitations of a paradigm-based approach, it sheds light on eighteen theories and new theoretical perspectives in IR by examining the work of key reference theorists. The chapters are all written to a common template. The introductory section provides readers with

Read PDF Insiders And Outsiders Citizenship And

a basic understanding of the theory's genesis by locating it within an intellectual tradition, paying particular attention to the historical and political context. The second section elaborates on the theory as formulated by the selected reference theorist. After this account of the theory's core elements, the third section turns to

Read PDF Insiders And Outsiders Citizenship And

theoretical variations, examining conceptual subdivisions and overlaps, further developments and internal critique. The fourth section scrutinizes the main criticisms emanating from other theoretical perspectives and highlights points of contact with recent research in IR. The fifth and final section consists of a
