Of all the classical poets Gaius Valerius Catullus (c. 84-54 BC) is the most accessible to the modern reader. Presented alongside the original Latin text, this new translation reflects Catullus' mastery of poetic forms as diverse as the lyric, the inventive epigram, and the romantic legend, and shows his passionate, and sometimes dedicated to his lover Lesbia. This edition also includes an introduction to the poet's life and work, and full explanatory notes.

Catullus' life was akin to pulp fiction. In Julius Caesar's Rome, he engages in a stormy affair with a consul's wife. He writes her passionate poems of love, hate, and jealousy. The consul, a vehement opponent of Caesar, dies under suspicious circumstances. The merry widow romances numerous young men. Catullus is drawn into politics and becomes a cocky critic of Caesar, writing poems that dub Julius a low-life pig and a pervert. Not surprisingly, soon after, no more is heard of Catullus. David Mulroy brings to life the witty, poignant, and brutally direct voice of a flesh-and-blood man, a young provincial in the Eternal City, reacting to real people and events in a Rome full of violent conflict among individuals marked by genius and megalomaniacal passions. Mulroy's lively, rhythmic translations of the poems are enhanced by an introduction and commentary that provide biographical and bibliographical information about Catullus, a history of his times, a discussion of the translations, and definitions and notes that ease the way for anyone who is not a Latin scholar.

116 poems by the great 1st century B.C. Latin poet.

Poetry. Translated from the Latin by Ryan Gallagher: a bluesy, contemporary, fun and salacious version of this ancient lyric poet--it is blues from ancient Rome. Latin and essays included. "Gaius Valerius Catullus is distinguished from all the other writers of antiquity by his vulnerability. He is the most personal of Latin poets, and more personal than any Greek poet including Sappho...if his love poems could only be duplicated in English they would be popular at every level of society and might be sung in night clubs or by rock groups"--Kenneth Rexroth. "I pothered but/ you'll have bothered/ Catullus played Bach"--Louis Zukofsky.

This book provides specially commissioned in-depth discussions of the poetry of Catullus from ten leading Latin scholars.

The Roman poet CATULLUS (84-54 BCE) ranks among the great lyric poets, one whose writing has echoed down the centuries and remains as relevant and interesting today as it was in its own time. His poems are fashioned out of intense feeling that still thrills, moves, shocks, entertains and delights. This selection of poems from his small extant body of work aims to show how - whether he composes a tender love lyric to his mistress or a boyfriend, an abusive attack on a politician or literary rival, an address to an intimate friend, a vitriolic or obscene satire, or an occasional piece on some small incident of social life - Catullus is deeply engaged with his subject, a writer passionate about his craft, and fully in touch with the centuries of Greek and Roman poetry that came before him.
